MOTTO

"True comfort in sitting is the ability to change your posture at any moment. A good chair should support the user's activities, making them feel comfortable no matter how they sit."
— Sunon European R&D Center Design Team

MOTTO

Sit with Charm, Flexibility, and Support

Lean, straddle, recline, lay... No matter how you sit, Motto supports you.

A BIG EMBRACE FOR YOUR BACK

With a wide 546mm arc-length backrest, Motto embraces you, providing sectional support from your waist to your spine. No matter your body type, Motto is accommodating.

Motto's T-shaped backrest allows all types of bags, pouches, and coats to easily rest on it, keeping them off the ground and spotless.

STACKABLE FOR MORE SPACE

Motto expands your space with its stackable design.

Whether it's a team meeting or a training session, you can use it according to the number of people.

SUSPENDED FOR EASY CLEANING

Since dining spaces need frequent cleaning, Motto gives brooms and mops a clear path. The round corner design prevents table scratches when placed on it.

O-shaped hollow for easy grip. It is easy to carry, pull, and move, and it looks good.

SMOOTH EDGE DESIGN

From top to bottom, there are no sharp edges. Motto's soft edging ensures you feel comfortable and safe, whether you lean or recline.

Ergonomically curved backrest made from heat-bent wood, with a 105° tilt for natural lower back support. The high-density cushion provides all-day comfort. The walnut and warm oak complement your space.
